

# Welcome

The last few weeks have brought a number of new and exciting announcements for schools and other educational settings, so it has been a busy start to the summer term for the Teaching School Hub team.

We have summarised the new DfE announcements and funding offers for you in this newsletter, which includes clear links to all of the relevant information and sign-up pages. This will be particularly useful for induction tutors and CPD leads in schools, so it will be well worth you forwarding this to the relevant people in your organisations so you don't miss out on the fully funded programmes.

Thank you to all schools who have shared key insights and information with us regarding your current priorities and needs, via our regional survey. This will feed directly into our planning for next year to ensure that we can support the region as a centre of excellence for professional development.

As always, please do get in touch with us if we can help in any way or if you have any thoughts or suggestions.  
We are here to support.

Thank you,  
Cathryn Mortimer  
Director of The Arthur Terry Teaching School Hub

## Register for the ECF 2022-23

In September 2021, the **Early Career Framework (ECF)** reforms were launched giving all Early Career Teachers (ECTs) access to a fully-funded, two-year package of structured training and support linked to the best available evidence and research.

**Save time, money, and access additional funding by choosing the Teaching School Hub as a delivery partner.**

**It's now time to register any new ECTs or ECT+1s who will be joining your school in September 2022.**

"I really appreciated that the sessions were focussed completely on my phase. It made everything very relatable and I found the day a lot more engaging and useful because everything that was discussed was relevant to my teaching. I have taken away a lot of good ideas to put into practice".

**98%** of ECTs rated the quality of the ECF training put on by the Teaching School Hub, as **good** or **very good**.

Visit our website to find out more about the fully-funded induction programme (FIP), the additional funding available if you sign up with us, and your step-by-step guide to registering for the ECF programme, if you have an ECT.

## Early Career Framework: Drop in session

We will be holding a number of drop in sessions, where you will have the opportunity to ask the team any questions you may have regarding the ECF and ECT induction.

**Friday 10th June - 10am**  
**Thursday 16th June - 8am**  
**Thursday 23rd June - 4pm**

**Tuesday 28th June - 11am**  
**Wednesday 6th July - 1pm**  
**Monday 11th July - 11am**

The drop in sessions will be taking place via Zoom.

## Appropriate Body

We are working in partnership with The John Taylor Teaching School Hub to act as an Appropriate Body (AB) for the registration, monitoring of support and assessment of Early Career Teachers (ECTs) in their first and second year of induction.

**All ECTs must be registered with an Appropriate Body.  
This is in addition to the Early Career Framework.**

We have extensive experience in AB work. The benefits to registering with us include access to online ECT management system, flexible training and resources for mentors, and expert support and guidance from experienced staff, where needed.

## NEW: National Professional Qualifications

The DfE have announced some important and exciting changes regarding National Professional Qualifications (NPQs);

- Funding for NPQs has been extended for the academic years **2022 to 23** and **2023 to 24**. This means that all NPQs are fully-funded for teachers and leaders in all state schools.
- In addition, state-funded schools with 1 to 600 pupils will be paid **£200** for each teacher or leader they employ who undertakes an NPQ.
- Organisations eligible to access scholarships has extended ([view the full list here](#))
- From autumn 2022, there will be two **NEW NPQs** available; NPQ for Leading Literacy (**NPQLL**) and NPQ for Early Years Leadership (**NPQEYL**).

Registration of interest is now open for teachers and leaders who are interested in completing a NPQ with us.

## Arthur Terry SCITT programme re-accredited!

We are delighted that we are one of only 80 ITT Providers nationally to have gained re-accreditation for our SCITT programme.

Our ITT Open Morning is taking place on **Saturday 11th June** at **10pm to 12pm**.

If you know anybody who is interested in becoming a teacher and who wants to find out more information, please encourage them to [register for the Open Morning here](#).

We have shared some information about our Open Morning on our social media channels and we would really appreciate it if you could share and re-tweet across your social media too.
