

NPQ for Leading Teaching

This NPQ is facilitated through a variety of different virtual and face-to-face sessions; these may be subject to change.

We recommend scheduling these dates into your diary before the programme starts.

Assessment window

The assessment window for the NPQLT is **1st - 8th February 2024**. We have suggested a nominated assessment day of **Monday 5th February**, for you to complete the assessment. The assessment can be completed any time during this period, however this is the date we suggest you request cover for the day and completion of assessment.

Session style

Communities - you are split into groups of 4 to 5, where you will discuss a professional challenge and explore the potential solutions.

Clinic - the group is split into two and one facilitator will lead the session.
