

NPQ in Leading Primary Mathematics

This NPQ is facilitated through a variety of different virtual and in-person sessions; these may be subject to change. We recommend scheduling these dates into your diary before the programme starts.

This NPQ will be delivered collaboratively between Haybridge Teaching School Hub, Arthur Terry Teaching School Hub, Manor Teaching School Hub and John Taylor Teaching School Hub.

The programme facilitators act on behalf of SHaW Maths Hub

For more information in relation to this NPQ please contact the Teaching School Hub with whom you have registered with.
